an examination of political social and cultural developments in the soviet union the book identifies the social tensions and political inconsistencies that spurred radical change in the government of russia from the turn of the century to the revolution of 1917 kenez envisions that revolution as a crisis of authority that posed the question who shall govern russia this question was resolved with the creation of the soviet union kenez traces the development of the soviet union from the revolution through the 1920s the years of the new economic policies and into the stalinist order he shows how post stalin soviet leaders struggled to find ways to rule the country without using stalin s methods but also without openly repudiating the past and to negotiate a peaceful but antipathetic coexistence with the capitalist west in this second edition he also examines the post soviet period tracing russia s development up to the time of publication

the effective utilization of available resources is a pivotal factor for production levels in modern business environments however when resources are limited or in excess this effects organizational success as well as the labor market the handbook of research on unemployment and labor market sustainability in the era of globalization is a comprehensive reference source for the latest scholarly research on the socio economic dynamics of unemployment and the development of new policies to assist in regulating the global labor market highlighting innovative approaches and relevant perspectives such as outsourcing trade openness and employment protection this publication is ideally designed for policy makers professionals practitioners graduate students and academics interested in emerging trends for labor market development

contains text of sermons delivered by m j savage and others in new york city

this important study provides the first english translation of both the surviving fragments of origen s commentary on ephesians and of the complete text of jerome s commentary on ephesians the two translations are placed parallel to one another where they treat the same texts in ephesians thus showing jerome s extensive dependence on origen s commentary by using collateral texts from other works of origen jerome and rufinus the author is able to show jerome s dependence on origen in numerous passages in his commentary where the greek text of origen s commentary is lost the translation is accompanied by heine s illuminating commentary and a substantial introduction sets the works in their historical context the book makes a significant contribution not only to scholarship on origen and jerome but also to the wider question of the interpretation of scripture in the early christian centuries

vols 13 62 include abridged annual reports and proceedings of the annual meetings of the american missionary association 1869 1908 v 38 62 include abridged annual reports of the society s executive committee 1883 84 1907 1908
